The newly leased properties and tenants include Futurity First Insurance Group, Inc. at One Pinebrook Plaza, Graycor Construction Company, Inc. at Live Oak, Securitas Security Services USA, Inc. at Mallard Creek III and Travmed International, Inc. at Scarlet Oak.

“We’re extremely pleased with these recent successes and are happy to partner with these fine organizations,” said Bryan Howell, CCIM, Regional Vice President of Eola Capital.

“We’re working aggressively with brokers and principals to make deals happen as quickly and seamlessly as possible. Speed of the transaction is key, especially for the tenants, and we expect this trend to continue,” Howell added. “With the changing economy, we’ve decided to add additional products to our already creative programs, including a recently launched ‘Risk-Free Leasing’ program to help office users who are uncertain about what the future holds for them. We’re anticipating a positive response as we aim to meet business owners’ needs.”
