THIS WEEK'S HOT BUSINESS LEADS

This column highlights business opportunities in Northeast Florida. We focus on business expansions, construction and growth.

■ **Eola Capital LLC** created a new special asset investments group to purchase distressed commercial real estate assets, including bank notes, pre-foreclosures and real estate owned properties. The firm is initially targeting assets in the \$5 million to \$50 million range. Eola is an Orlando-based real estate investment company that operates and manages office properties in the Southeast. Richard Toomey will lead the division out of Eola's Jacksonville office, which can be reached at (904) 356-1978.
